

Informational Book Structure

Our informational books should model that of a non-fiction book (mostly) including:

- A Table of Contents
- Chapters
- Glossary
- And Bibliography (sources)

Your piece should also include lots of text features and use formal language.

Below is the Ideal structure of your book (chapters):

1. All About the Bigger Topic (includes the introduction)

a. _____

2. All About the Focused Topic

a. _____

3. The Story of a Big Moment, a Big Decision (Historical Fiction piece)

a. _____

4. Why this Focused Topic is Important (Essay)

a. _____

Bonus Chapters (if you have time):

- ❖ How-to Chapter (shows steps in how to make or do something)
- ❖ Poems (historical fiction)
- ❖ Picture chapter (Mostly drawings)
